

Walk-About (40mm)

A budget slim/wide blade turf. Ideal for all landscape applications.

Yarn Characteristics

Type 1: 10 Ended, 110Tex Monofilament, dual green
 Type 2: Twin blade, 1100Tex fine fibrillated, dual green
 Fire rating: TBA

100% Homo-Polymer, Polyethylene, Nylon.
 Fire rating: AM610 x 8G, S-Green
 Melting point: 254°C ~ 266°C
 Flame point: 305°C ~ 311°C

Tuft Characteristics

Pile Weight: 1306g/sqm
 Pile Height: 40 mm
 Total Pile Length: 87 mm
 Total Thickness: 42 mm
 # Stitches: 130 per metre
 # Stitches: 13,650 per sqm
 # Piles: 27,300
 Machine Gauge: 3/8"

Manufactured Roll

Width: 3.6 metres
 Length: 20 metres
 Shipping Weight (LM): 9.6kg
 Roll Diameter: 1200 mm (based on 60 metres)

Total Product Weight: 2097g/sqm

Backing Characteristics

PRIMARY BACKING 1

Composition/Structure: 100 % woven polypropylene, UV resistant

Weight: 141g/sqm

Colour: Black

SECONDARY BACKING

Maximum water resistant and ultra bonding strength latex

Colour: Black

Coating Weight: 650g/sqm

Issue Date: Sept 2008

Main Advantages:

- ◆ 100% Australian owned and manufactured
- ◆ Heat and frost resistant, UV stabilised.
- ◆ The weight and profile of our yarn provide a supportive blade which has a great memory/ spring. This reduces the flattening of the yarn and ensures more ease of installation and better performance for the home owner.
- ◆ Our products are constructed to such a high standard that the average level of infill required is lowered which provides a much more DIY friendly option and again reduces the installation time required.
- ◆ Available in 3.6 or 1.8 metre widths

Installation Advice:

To be laid onto a stabilised sub-base. Seams should be glued with an appropriate adhesive. For further details contact HG Turf for a full installation guide.

Particulate infill:

Type: (Sand) Siliceous 80% round.

Sand/range: (Sand) 0.2mm-1.0mm

Infill Weight: (Sand) approx 10kg/sqm

Infill Height: approx 24mm

The specified infill rates allow for consolidation of infill, post installation.

Maintenance Advice:

This product will perform better and last longer with regular maintenance. We recommend weekly in-house cleaning and brushing.

Warranty:

This product comes with a 7 year manufacturer's warranty protecting the consumer's product against UV protection failure, manufacturer's workmanship, primary and secondary backing failure, unreasonable product deterioration under normal usage circumstances. This warranty does not cover misuses, negligence, incorrect installation methods or use of non specified chemicals on the surface.
